

Join the Frontier of Aortic Dissection Care: London Aortic Dissection Symposium

August 28, 2024 | 1:00 PM – 6:00 PM
Live Virtual Event | Register Today

We are thrilled to invite you to the London Aortic Dissection Educational Symposium.

Why Attend?

- Expert Speakers
- Comprehensive Agenda
- Engaging Format

Who Should Attend?

- Healthcare professionals across all specialities
- Medical educators and researchers
- Patient advocacy group members
- Healthcare policymakers and administrators
- Anyone committed to advancing aortic health

Learning Objectives

Upon completion of this activity, participants will be able to:

- Identify the clinical presentation and diagnostic challenges of Acute Aortic Dissection (AAD).
- Understand best practices for initial patient management, including blood pressure control.
- Discuss the ethical considerations and potential biases in AAD diagnosis and treatment planning.
- Explore anaesthetic protocols and considerations for AAD surgery.
- Review surgical techniques and postoperative care for AAD patients.
- Evaluate long-term management strategies and follow-up care for AAD.
- Analyse recent research studies and advancements in AAD management.
- Integrate patient perspectives and experiences to improve overall patient care.

Continuing Education:

The Royal College of Surgeons of England has awarded up to 4.5 CPD points for the event.

Register Now: Registration Link

To attend the entire symposium, please register using both links.

Link 1: 13:00 – 15:00 <https://terumoaortic.com/london-aortic-dissection-symposium-session1>

Link 2: 15:10 – 18:00 <https://terumoaortic.com/london-aortic-dissection-symposium-session2>

We look forward to your participation.

Programme

13:00 – 13:10	Introduction	Prof A Oo
13:10 – 14:05	Session 1 moderated by Mr C Bicknell and Prof A Oo	
13:10 – 13:25	Acute Aortic Dissection – Type A Pathophysiology and Presentations	Miss A Lopez-Marco
13:25 – 13:40	Acute Aortic Dissection – Type B Pathophysiology and Presentations	Mr M Sallam
13:40 – 13:55	Bridging Diagnostic Gaps in Acute Aortic Dissection: A Decadal Review of Misdiagnoses and Patients and Public Expectations	Dr F Holia
13:55 – 14:05	Q & A	
14:05 – 15:00	Session 2 moderated by Mr Graham Cooper and Dr T Smith	
14:05 – 14:20	Diagnosis of Acute Aortic Dissection Guidelines vs Practice	Prof C Nienaber
14:20 – 14:35	Imaging Guidelines for Acute Aortic Dissection	Dr D Gopalan
14:35 – 14:50	Keeping Patient Alive During Initial Period of Acute Aortic Dissection – Role of Blood Pressure Management	Dr V Kapil
14:50 – 15:00	Q & A	
15:00 – 15:10	BREAK	

Programme

15:10 – 16:10	Session 3 moderated by Prof C Nienaber and Dr V Kapil	
15:25 – 15:40	Life after Acute Aortic Dissection	Dr B Pandya
15:25 – 15:40	Diagnosing Aortic Dissection in ED: Easier Said than Done	Dr T Smith
15:40 – 15:55	Safe Transfer LAS vs ACCESS	Dr S Shepherd
15:55 – 16:10	Q & A	
16:10 – 17:10	Session 4 moderated by Mr M Sallam and Miss A Lopez-Marco	
16:10 – 16:25	Management of Acute Dissection Critical Care and Anaesthetic Considerations	Dr C Corredor
16:25 – 16:40	Management of Acute Type A Dissection	Prof A Oo
16:40 – 16:55	Management of Acute Type B Dissection	Mr C Bicknell
16:55 – 17:10	Q & A	
17:10 – 17:55	Session 5 moderated by Prof A Oo and Dr F Holia	
17:10 – 17:25	Surviving Acute Aortic Dissection	V Lechene
17:25 – 17:40	Referral Pathway for Acute Aortic Dissection in London Daily Challenges	Mr M Sabetai
17:40 – 17:55	Q & A	
17:55 – 18:00	Closing Remarks	

Course Directors

Dr. Farhin Holia

Senior Registrar in Emergency Medicine, Barts Health NHS Trust, Clinical Research Fellow, The Barts Heart Centre, Chief Investigator for Pan-London Decade-Long Analysis of Misdiagnosis of Acute Aortic Syndromes (PanDAMAAS) Study, London, Specialising in Leadership and Management, Harvard Business

Professor Aung Oo

Consultant Cardiac and Aortic Surgeon, Clinical Lead Aorto-Vascular Surgery, Barts Heart Centre, Barts Health NHS Trust, Pan-London Co-Lead for Complex Aorto-Vascular Stream of NHS London Cardiovascular Network, Founding Chair of UK Aortic Society (UKAS)

Faculty

Mr Michael Sabetai

Consultant Cardiac and Aortic Surgeon, St Thomas's Hospital, Guy's and St Thomas' NHS Trust, GSTT Aorto-Vascular Clinical Academic Group Co-Lead, South London Led for Complex Aorto-Vascular Surgery, Chair of UK Aortic Society

Prof Christoph Nienaber

Consultant Cardiologist, Royal Brompton Hospital, Founder of International Registry of Aortic Dissection (IRAD), London

Mr Graham Cooper

Trustee of The Aortic Dissection Charitable Trust (TADCT), Past President of Society of Cardiothoracic Surgery, Consultant Cardiac Surgeon, Honorary Senior Clinical Lecturer at Sheffield Teaching Hospital.

Dr Deepa Gopalan

Consultant Radiologist, Imperial College NHS Trust, Cambridge University Hospital, Cambridge, United Kingdom, Academic Associate, Karolinska Institute, Stockholm, Sweden

Mr Colin Bicknell

Senior Clinical Lecturer, Consultant Vascular Surgeon, Head of Specialty for Vascular Surgery, St Mary's Hospital, Imperial College NHS Trust, London

Dr Carlos Corredor

Consultant Anaesthetist and Intensivist, Clinical Lead for Aorto-Vascular Anaesthesia, Clinical Lead for Adult Critical Care Unit, St Bartholomew's Hospital, Barts Health NHS Trust, London

Miss Ana Lopez-Marco

Consultant Cardiac and Aortic Surgeon, Honorary Senior Clinical Lecturer WHRI, Barts Health NHS Trust, London

Mr Morad Sallam

Consultant Vascular and Endovascular Surgeon, Clinical Lead for Vascular Surgery, Cardiovascular Undergraduate Education Lead, Guy's and St Thomas' NHS Trust, Honorary Senior Clinical Lecturer at King's College London

Dr Stephen Shepherd

Consultant Anaesthetist and Intensivist, Clinical Lead for ACCESS Transfer Service, Barts Health NHS Trust, London

Dr Bejal Pandya

Consultant Cardiologist, Barts Health NHS Trust, London

Valérie Lechene

Aortic Dissection Survivor, The Aortic Dissection Charitable Trust (TADCT)

Dr Thomas Smith

Consultant Emergency Physician, Consultant Intensivist and Deputy Clinical Lead for the Deteriorating Patient and Sepsis at Imperial, Imperial College NHS Trust, London

Dr Vikas Kapil

Senior Lecturer in Clinical Pharmacology and Therapeutics, Honorary Consultant in Cardiovascular and Internal Medicine, WHRI Deputy Lead for Teaching, Queen Mary University of London, Barts Health NHS Trust
